## Skills

---

- Computer: Stata, R, and Python
- Languages: English (native), Arabic (proficient), Finnish (proficient)

## Service

---

**Member:** American Political Science Association, International Studies Association, Midwest Political Science Association, Middle East Studies Association

### ***Graduate Association for Political Science President, April 2022-Present***

Led and coordinated visiting faculty presentations on graduate school success and organized monthly meetings to address graduate student well-being and success for the Graduate Association of Political Scientists.

***Graduate Conference Organizer, APSA Peer-to-Peer Pedagogical Partnerships Conference, August 12-13***

Researched and extended invitations to over 75 department chairs and teaching professors at four-year and two-year programs at universities in the state of Missouri. Organized virtual conference participation for participants unable to travel to the conference in-person.

***Student Concerns Committee Member, November 2021-Present***

Worked with the committee at large to address student needs and concerns on a university-wide scale. This included monthly meetings and discussions regarding concerns brought forward to the committee and passing them along to the appropriate institutional arm of the university.

***Graduate Association for Political Science Graduate and Professional Council Representative, August 2021-Present***

Served as a liaison between the Graduate Association for Political Science and the Graduate and Professional Council. Duties included attending monthly meetings, disseminating important announcements regarding available funding and upcoming activities, and voting on resolutions and amendments for campus-wide graduate school initiatives.

***Abstract Evaluator, 2021 Spring Undergraduate Research & Creative Achievements Forum***

Reviewed and scored ten abstracts to provide feedback to undergraduate researchers on the quality of their writing. Trained by the Campus Writing Program. Organized by the Office of Undergraduate Research. Professional experience in reviewing original scholarship, collaborative writing assessment across the disciplines, and applying rubric to evaluate abstracts and artist statements.
